

# COVID-19 Update

September 1, 2020

To Our Valued Customers:

As the year 2020 progresses, we continue to navigate a COVID-19 world. We are committed to putting safety first for our customers and employees. We appreciate your flexibility while we focus on doing what is right under current circumstances.

Please remember the following:

- Check our website for current hours of operation before heading out to a branch location.
- If you are not feeling well, or you or a family member were exposed to COVID-19, please stay home.
- All of our branches continue to be cleaned and disinfected daily.

We remain dedicated to serving you and are here to help. Banking services are available 24/7 online via our website ([www.devonbank.com](http://www.devonbank.com)) and through our mobile app. While times remain uncertain, we look forward to things getting back to normal. Until then, we wish you good health.
